You will never let me forget
Not one single moment during the day
That your presence is not caused by me
But the circumstance you can't be free

Only sometimes in the darkest night
There's a moment that shines like sunlight
You're ready to give
And for a while I'm dreaming away, believing it's true
You are giving me you
Believing you are giving me you
Together we've found the truth
When that moment's gone
You'll still be the one
Who can't feel free because of me

You will never let me forget
That we bounded but not in love
That your needs and hopes are denied
Don't know how to make you satisfied

Only sometimes in the darkest night ...

Only sometimes in the darkest night
There's a moment that shines like sunlight
You're ready to give
And for a while I'm dreaming away, believing it's true
You are giving me you
Believing you are giving me you
Together we've found the truth

Oh, believing
I can make you feel free

When that moment's gone
You'll still be the one
Who can't feel free because of me
