When the night is falling
Peace in my mind is to begin
Go through the day
Throw away the bad
Think of all the joy I really had

Positive emotions, it feels right
Anything can happen on such a beautiful night
It's no longer important what went wrong
What's important is how to carry on
How to make dreams come true
Dreams there's a real need in you

When the night is falling ...

All the daily fight and pressure
Goes away by positive pleasures
Night time is for ev'ryone
Time to be the only one
It's here you can find your strength
The most loving emotion to ev'rything

Positive emotions
Go through and feel so right
Anything can happen
In your dreams, your heart tonight
