Isn't it amazing
How grateful you can feel
When you see what love's about
Isn't it amazing
How sorry you can be
When you have to live without
Isn't it amazing
How you can fall apart
When the illusion blows away
Isn't it amazing
How strong you can be
When you have built another instead

I'm sorry
You think you have found the truth
At this moment in our lives
If we had lived the illusion through
The two of us had survived

Isn't it amazing
How far you've gone away
In such a little time
Isn't it amazing
How I believe
You will turn around
Isn't it amazing
How after all we been through
I hunger for your touch
Isn't it amazing
How I still love you
Illusion or not

I'm sorry ...

Isn't it amazing
How scared you become
For what love used to be
Isn't it amazing
How you just are giving up
In the fight for you and me
Isn't it amazing
How little we both should forgive
To bring it back on track
Isn't it amazing
How pride is the reason
That never brings it back

I'm sorry ...
